

# Product Recall Insurance

*Do your manufacturing, wholesale, retail, and product liability accounts need Product Recall Insurance?*

***Did you know on average there is one product recall a day in America?***

*There have been many cases in the past year where dog food, children's toys, meat and lettuce to name a few items have been recalled due to various reasons. Most product liability insurance policies do not provide this coverage.*

***Does your customer have a need for Product Recall insurance?***

*It could save your client millions of dollars in expense, help maintain a positive public image to their customers, and potentially save their business in the event of a crisis. All Risks has the market relationships to provide your customer with a solution.*
