

Roofing Contractors

All Risks has a wide variety of markets for your roofing contractors.

Overview:

- Primary & Excess markets with high limit options
- Occurrence form (Annual and Project Specific policies)
- A Rated Carriers
- Minimum Premiums Start at \$5,000

Risk Appetite:

- **New Residential Construction** roofing operations with Tract, Condo, and Townhome exposure
(Select markets are currently offering the CG 2037 AI endorsement for completed operations)
- **Commercial Roofing** operations
- **Residential Repair/Remodel** (including work for Condo Associations)
- **Discontinued Completed Operations** coverage
- **Heat application work OK**
(Examples: Hot tar, Modified Bitumen, Ethylene Propylene Diene Monomer, Built-Up)

Roofers are often involved with other work that our markets can provide solutions for under the same coverage as well such as:

- Waterproofing
- Siding
- Asbestos removal
- Rain gutters
- Carpentry
- Insulation
- EIFS/Synthetic Stucco, Decks, Patios, etc.
