## Earthquake Markets - California Only Accounts

All Risks represents financially strong insurance carriers who write Difference In Conditions/Earthquake Insurance Coverage in California.

- Minimum Premiums begin as low as \$3,000
- Our carriers will entertain apartments, condominium & townhouse associations as well as a variety of commercial buildings
- Markets are available on an admitted and non-admitted basis
- Limits are available up to \$15M, and higher upon individual account requests

### *Submission Requirements*

Completed EQ application includes:

- ACORD 125 & 140 or equivalent
- Need both the Location and Mailing address information (particularly on homeowners assoc)
- Schedule of all buildings including a break down of building coverage and business income/loss of rents coverage for each building (we do not blanket coverage)
- Inspection Name and Telephone Contact Info
- Advise if any EQ retrofit work has been completed on the building
- Advise if the building is bolted to the foundation
- Provide plot plan, if available (this applies to multiple building accounts)
- Confirm that the insured has an underlying fire policy currently in force
- Need specifics on parking. For example: tuck under, first floor parking, subterranean parking, detached garages or open lot parking
