

Do you have Mortgage Brokers with sub-prime exposure that can't find professional liability insurance?

Having a hard time finding coverage for the mortgage broker exposure for your Real Estate Agents?

As the Financial Services Industry continues to suffer the repercussions of the current sub-prime mortgage fallout, the claims are beginning to mount by lenders and borrowers. As this drags on, it will be harder and harder for Mortgage Brokers to find affordable insurance. All Risks, Ltd. provides the solutions that your customers need.

With the current fallout surrounding the sub-prime lending market, lenders are requiring more and more Mortgage Brokers to carry Professional Liability insurance in order to do business with them. Some lenders are even requiring Mortgage Brokers to cover their vicarious liability in the transaction (adding as an additional insured). As the controversy surrounding Mortgage Brokers continues, the problem of finding Professional Liability insurance is becoming more and more difficult. All Risks, Ltd. provides all the solutions you need...

All Risks has access to the key markets for Mortgage Brokers' professional liability insurance, whether they have a sub-prime exposure or not.

The next time your Mortgage Broker customers call, think All Risks.
