The screenshot shows the All Risks website homepage. At the top is the All Risks logo and a navigation menu with links for Home, Agent Login, About, Careers, Locations, and Contact Us. Below the logo is a secondary menu with links for Why Choose All Risks, Products, Industry Specialties, Forms & Applications, and Agent Resources. The main content area features a large blue banner with the text "Get It Done Right. NOW." and a quote from Tom Carroll of Diversified Insurance Industries, Inc. To the right of the banner is a sidebar titled "What is your coverage need?" with a list of categories: Industry Specialties, Commercial Lines, Personal Lines, Workers' Comp, and Specialty Programs. Below the banner are two columns of content. The left column is titled "Top 10 reasons why Agents work with All Risks:" and lists ten reasons, each with a "Read more" link. The right column is titled "Press Releases" and lists three recent releases with dates and "Read more" links. At the bottom right of the main content area is a "National Presence" section with a map of the United States and a "CLICK FOR LOCATIONS" button. Below the main content area is a footer with a list of office locations and a copyright notice.

▶ The Online Tools you were familiar with in the "Agent Area" of our old website are still available. Log on with the same user ID and password, on the new website in the section called "Agent Resources." Need instructions for logging in? [Click Here](#)
