

Product Recall Insurance

Do your manufacturing, wholesale, retail, and product liability accounts need Product Recall Insurance?

Did you know on average there is one product recall a day in America?

There have been many cases in the past year where dog food, children's toys, meat and lettuce to name a few items have been recalled due to various reasons. Most product liability insurance policies do not provide this coverage.

Does your customer have a need for Product Recall insurance?

It could save your client millions of dollars in expense, help maintain a positive public image to their customers, and potentially save their business in the event of a crisis. All Risks has the market relationships to provide your customer with a solution.
