IMPORTANT NOTICE REGARDING WEST VIRGINIA WORKERS' COMPENSATION

Your office has placed West Virginia Workers' Compensation business through All Risks, Ltd. recently. We respectfully request that you closely review the following advice which we are forwarding to you on behalf of BrickStreet.

Should you have any questions, please don't hesitate to let us know.

As always, we appreciate your business.

BrickStreet has advised us that the Office of the Insurance Commissioner for the *State of West Virginia* has mandated that all agents doing business in the State of West Virginia, regardless of whether or not they work through a Wholesaler, secure and hold a non-resident license with the State of West Virginia.

In order to be in compliance with this West Virginia code, please advise the sender of this e-mail within 10 days from its receipt, if you presently hold a non-resident license (or) the date you have applied for same. It is our suggestion that you may wish to appoint one person in your office to hold this non-resident license and have your submissions flow through them in order to streamline this process for your agency. Should you need contact information please note that the commission website is:

www.wvinsurance.gov.
