

Restricted W/C Codes

Explanation Sheet

*** Pending Explanation

Code Number	Code Title	Explanation and Comments
All 00 + 0 series	Farming	Exceptions are 0005, 0042, 0900's (agriculture)
All 1000-1748	Mining and related codes	Exception is 1699 (rock wool mfg.)
1803	Stone cutting and polishing	
1852	Asbestos Goods Mfg. Includes spinning or weaving.	Even though some asbestos operations are similar to textile mfg., this code applies if asbestos is the principal raw material.
1853	Mica Goods Mfg. and Mica Preparing	Manufacture of pressed mica products or sheet mica
2081	Butchering	Includes handling of livestock & the actual operations associated with killing the animals
2089***	Packing House-All Operations	Code includes all operations of code 2081 above but also covers processing of meats into products such as sausage, wieners & bacon.
2095***	Meat Products Mfg. - NOC	Code applies when meat processing as described above is conducted but operation does not include the handling & slaughtering of livestock
2101	State Special (AK, AL, VA) Fish Curing	Applies to smoking, pickling, salting, etc. of fish
2111	Cannery NOC	Excluded if in conjunction with mfg or storage of chemicals
2114	Oystermen (applies to shore or dock work only)	Applies to washing, shucking, etc. of oysters
2305	Textile fiber mfg.	
2623	Tanning	Covers the processes associated with preparation of animal hides or skins (i.e. leather, furs, etc.)
2702	Logging, Lumbering, and Drivers	Includes all operations from cutting trees to transportation of logs to mill
2710	Sawmill	Sawing logs to produce rough lumber
3004	Iron and Steel Mfg., Steel Making, & drivers	Includes casting and forging & blast furnace operations
3307***	Heat Treating - Metal	
3018***	Iron and Steel Mfg., rolling mill & drivers	Excluded only if process includes smelting, galvanizing, or sintering
3022***	Pipe or tube mfg.,- NOC & drivers	Same
3027***	Rolling mill NOC & drivers	Same
3028***	Pipe or tube mfg.,- iron or steel & drivers	Same
3030	Iron and Steel Fabrication-structural & drivers	Permanently located shop manufacturing; building materials
3066***	Sheet metal work-shop	Mfg. of products from galvanized sheet metal or aluminum stock
3080	Foundry- Ferrous	Mfg. of cast or malleable iron
3081	Foundry - Ferrous	Mfg. of cast or malleable iron
3082	Foundry - Steel Castings	Mfg. of steel castings for outside customers
3085	Foundry - Non-Ferrous	Mfg. of castings from brass, aluminum, other non-ferrous metals
3110	Forging- drop or machine	
3111***	Blacksmith	May be acceptable if lower end exposure and loss ratios are good
3315***	Brass or copper goods mfg.	Excluded only if in conjunction with Ammunition or Explosives
3334	Tin foil mfg.	
3336	Type Foundry	Lead or brass molding for creation of news type molds
3365	Welding or Cutting NOC & drivers	Includes both shop & outside work.
3372***	Electroplating	
3373***	Galvanizing Or Tinning - Not Electrolytic	
3400***	Metal Goods mfg	Excluded only if in conjunction with Ammunition or Explosives
3548***	Printing or booking machine mfg.	Same
3574***	Computing, recording or office mach. Mfg	Same
3639	Explosives or Ammunition Mfg. (State Special AZ, CO, IL, MS, and TN)	Finishing of shell or bomb casings & associated metal machining
3642***	Battery Mfg. - Dry	Acceptable if employees are not exposed chemicals or acids
3647	Battery mfg.-storage	Chemical Exposure
3719	Oil Still Erection or repair	Includes all operations in oil still construction except chimney construction & pile driving
3724	Machinery or Equipment Erection or repair NOC and Drivers	Includes building of plants, factories, & mills at a customer's site
3726	Boiler installation or repair-steam	
3881***	Railroad car mfg. & drivers	May be acceptable if lower end of exposure and low loss ratios
4000	Sand or Gravel Digging and Drivers	Digging or Dredging of sand or gravel
4283	Building or roofing paper preparations- no install	Chemical exposure
4439	Lacquer or spirit varnish mfg.	Same
4557***	Ink mfg.	May be acceptable if lower end of exposure and loss ratios are good.
4558	Paint mfg.	Same
4561	Varnish Mfg.-Oleo-Resinous	Code is restricted to the manufacture of oil based varnishes that undergo a cooking process
4568	Salt, Borax, Potash Producing or Refining & Drivers	Includes refining & packaging of finished products
4581	Phosphate Works and Drivers	Processing of material received from others; does not include mining
4583	Fertilizer mfg.	Chemical Exposure
4586	Ammonium Nitrate mfg.	Same

Restricted W/C Codes

Explanation Sheet

*** Pending Explanation

Code Number	Code Title	Explanation and Comments
4635	Oxygen or Hydrogen mfg.	Explosion risk
4665	Rendering Works NOC and Drivers	Processing of meat/fish by-products to produce oils
4740	Oil refining-petroleum & drivers	
4770-99	Explosives and Ammunition Mfg.	Self explanatory
4800-4823	Chemical and Dye Stuff rating plan	
4825***	Drug, medicine or pharmaceutical preparation mfg. - includes mfg. of ingredients	Mfg. of products requiring "chemical conversion"
4828***	Chemical Blending Or Mixing NOC - All Operations & Drivers	Mfg. of products requiring "chemical conversion"
4829***	Chemical Mfg. NOC and Drivers	Mfg. of products requiring "chemical conversion"
4860-4883	Chemical and Dye Stuff rating plan	
5022***	Masonry NOC	Excluded only if in conjunction with demolition or non-enclosed scaffold.
5037	Painting Metal Structures over 2 stories high	For commercial work; a story is 15 feet
5040-69	Iron or Steel erection	Building of iron or steel frame structures
5160	Elevator Erection	Installation of elevators and escalators; all operations
5213-23	Concrete Construction	All types of concrete work
5403	Carpentry NOC	General carpentry work
5443	Lathing and Drivers	Lathing is a part of the application process for stucco
5462	Glazier – Away from Shop – and Drivers	Prohibited if work is at heights above 10 ft.
5472-73	Asbestos Contractor	Removal, repair, enclosure, & encapsulation of asbestos material.
5479	Insulation work NOC & drivers	
5480	Plastering NOC and Drivers	Plastering, taping, filling, of interior walls.
5506***	Road Construction (Flaggers Only)	Traffic control flaggers on road & street construction jobs
5507-8	Road Construction-Sub Surface and Drivers	Involves excavation for road bed preparation
5538***	Sheet Metal Work	Involves preparing sheet metal for installation
5551	Roofing-all kinds & yard employees, drivers	Use code for all roofing work unless the work is covered by the general inclusion of 5645 or 5651
5610	Debris Cleanup	Typically misused with high losses
5645	Carpentry - Detached one or two family dwellings	Includes garages constructed in connection with the dwellings.
5651	Carpentry-Dwellings; three stories or less.	Applies to buildings designed primarily for multiple dwelling occupancy (More than 2 families)
5703	Building Raising or Moving & Drivers	Applies to specialist contractors involved in foundation repair & other operations involving the moving, raising, etc of a building.
5705	Salvage Operation	Recovering of goods damaged by fire, flood, etc.
5951	Serum /Anti-Toxin / Virus Mfg. & Drivers	Includes lab work & transport of the materials
6000 Series	Pile Driving, Dam Const., Levee Const.	Self Explanatory
6204	Drilling NOC and Drivers	All drilling except oil, gas, & underground mines
6206	Oil & gas well cementing & Drivers	
6213	Oil & gas well-perforating	
6214	Oil & gas well lease work	
6216	Oil & gas lease work NOC	Includes all set up operations for oil/gas drilling
6217	Excavation & Drivers	Basic earth removal, ditch digging, back filling, etc.
	All Marine & USL&HW codes	US Longshore & Harbor Workers Act
6229	Irrigation or Drainage system construction	Digging irrigation canals, installing piping, etc.
6233	Oil & Gas Pipeline Construction	Construction of cross country pipelines/right of ways
6235	Oil & Gas well drilling and drivers	Drilling or re-drilling of oil or gas wells
6236	Installation/Recovery of oil/gas well casing	Self explanatory
6237***	Oil Or Gas Well: Instrument Logging Or Survey Work & Drivers	No wire-line or well processing work
6251	Tunneling -Not Pneumatic - All operations	Work in pressurized tunnels & associated operation
6252	Shaft sinking - All operations	Work in pressurized tunnels & associated operation
6260	Tunneling - Pneumatic-all operations	Work in pressurized tunnels & associated operation
6306	Sewer Construction	Includes trench digging & installation of piping
6319	Gas Main Construction	Work performed for utilities for construction & installation of mains
6325	Conduit Construction for cables or wires	All operations of installation of underground electrical systems (i.e. railway crossing system)
6700 Series	Railroad Construction	Includes laying of side or spur tracks
6800 Series	Boats/Vessels	
6834***	Boat Building	Boats less than 150 feet in length
7000 Series	Boats / Vessels	Self Explanatory - all inclusive
7100 Series	Railroad Operation	Self Explanatory - all inclusive

Code Number	Code Title	Explanation and Comments
7201	(FL,NJ,NY State Special) Livery or Boarding Stable	-Not sales stable -& drivers
7204	(FL State Special) Greyhound breeding, Training and Racing & Drivers	
7205	(FL State Special) Horse Training	
7207	Stables	
7219	State Special-Trucking-AK, FL, ID, LA, MT, TN	Hauling of general merchandise under contract
7222	Trucking - Oil Field equipment	Hauling derricks, etc. under contract
7228***	Trucking - Local Hauling	Hauling within 200 miles of principal garaging
7229	Trucking - Long Distance Hauling	Hauling outside the 200 mile radius mentioned above
7309-27F	Stevedoring	All inclusive
7333-37	Dredging	Water based operations
7350F	Freight Handling	Under USL&H
7382,7365,	Taxi-Limousine Commercial	
7370		
7380***	Drivers, Chauffers, and Their Helpers: NOC	Armored Cars are ineligible
7394-98	Diving	Marine diving and salvage
7400 Series	Aircraft	Self explanatory - all inclusive
